24 or 39?

How Many Books Are There? Some say 24: Ezra & Nechemiah = 1 book, The Twelve Minor Prophets = 1 book, I & II Chronicles = 2 books, Samuel = 1 book. Without putting books out together, how will you count?

Haftorah — What and Why?

The Haftorah is taken from the Prophets and is usually read on Shabbat morning after the Torah reading. The Haftorah was originally read when the Torah was forbidden to be read. Later, it was read when the Torah was read in synagogues. Today, the Haftorah is read on Shabbat and holidays.
